TENNESSEE WESLEYAN SUMMER OF 69 HOMECOMING
As Homecoming 2019 approaches, I’d like to introduce myself. My name is Mayson Liner and I am the Director of Alumni and Donor Relations. I would like to invite all Bulldogs to a weekend filled with exciting events, reminiscing on friendships, and creating new memories together at Tennessee Wesleyan University.

We are throwing it back to the Summer of 1969 to honor our Golden Anniversary class. This class saw a man walk across the moon. They heard songs from across the pond as the Beatles craze swept the nation. They watched the creation of classic films such as Psycho, Sound of Music and Frosty the Snowman. Help me in welcoming this ‘groovy’ class back to campus!

Alumni, you are the cornerstone of this University and have left a legacy that we want to recognize. Not only do we celebrate the accomplishments that you made on campus, we also want to cheer you on as you influence others, provide resources for continued growth and create opportunities to invest your passions back into the development of Tennessee Wesleyan.

I can’t wait to share all the exciting events we have planned to celebrate this weekend with all of you! It will be ‘far out’!

I hope you will join us!
